While new appointments were unveiled in the UAE by GCGRA and Wynn Al Marjan Island, Digitain also looked to support its continued expansion across regulated Asian markets

Ahmad Hesham

*General Counsel and Board Secretary,
GCGRA*

The General Commercial Gaming Regulatory Authority (GCGRA) appointed Hesham as General Counsel and Board Secretary, following an eight-year tenure as Senior Legal Advisor to the UAE's Minister of Human Resources and Emiratisation. Hesham brings experience in advising governments, regulators and public institutions on legislative and governance matters across multiple jurisdictions.

The Authority continues to build out the UAE's commercial gaming framework, maintaining, as anticipation builds for a potentially huge market aimed at attracting high-value players.

Hesham holds a joint PhD from Vrije Universiteit Brussel and Ghent University, as well as a master's degree from Cairo University

Andrea Aguirre-Jugueta

*VP of Private Access, Wynn Al
Marjan Island*

Aguirre-Jugueta will focus on creating personalized guest experiences with Wynn Marjan Island through curated partnerships, tailored client strategies and a high-functioning service model. Based in Ras Al Khaimah, she will lead development of the resort's Private Access program, which is designed to build long-term relationships with discerning non-gaming guests, influential individuals and brand ambassadors.

Aguirre-Jugueta joins Wynn after nearly 10 years at Solaire Resort in the Philippines, where she held several senior leadership positions across retail, customer experience and strategic partnerships.

Along with her experience in hospitality, Aguirre-Jugueta also volunteers as a Radio Show Co-Host for RockEd Philippines

Terry Lee

Head of Asia Region, Digitain

Lee will be expected to develop Digitain's operator relationships and identify opportunities suited to local regulatory and commercial requirements in Asia. The country presents a complex expansion environment for suppliers, as online sports betting rules differ substantially across the region.

Highlighting the importance of localization, Lee's focus will be on establishing Digitain as a "major presence" within Asia's key regulated markets. The supplier has already placed greater emphasis on regulated-market access, previously securing authorization to enter Great Britain, Ontario, Denmark and Bulgaria.

Lee's social media showcases his particular interest in puzzle games, including mini sudoku, queens and tango
